Gear Up For Success

Polo Shirts

The 'core' garment – the foundation of your distinctive look.

Classic, stylish and dateless, yet still modern and comfortable.

From hard wearing everyday fabrics to hi-tech breathable sports fabrics and everything in between. Whatever way you go, durability and easy care are the key ingredients in each fabric.

All school colours and combinations – use contrasting collars, buttons and panels!

So many ways to find your school's outstanding look!

- huge range of fabric types, including pique, rugby knit, interlock, sports mesh, micromesh.
- knitted striped fabric.
- screen printing and embroidery.
- knitted collars, panels and arm bands – striped, jacquard, etc.
- sleeves – short, long, – try piping in contrasting colours.
- tabs – piping or multi-coloured.

Fabrics –

Pique – The synthetic polyester is interwoven with cotton to utilise the best qualities of natural and man-made properties. This great blend fabric is perfect for general all round wear. Also available in a heavy-weight option for cooler climates.

Rugby Knit – This ever- popular material comes into its own, especially in cooler climates. Just watch the creases fall out of this heavy-weight poly/cotton blend.

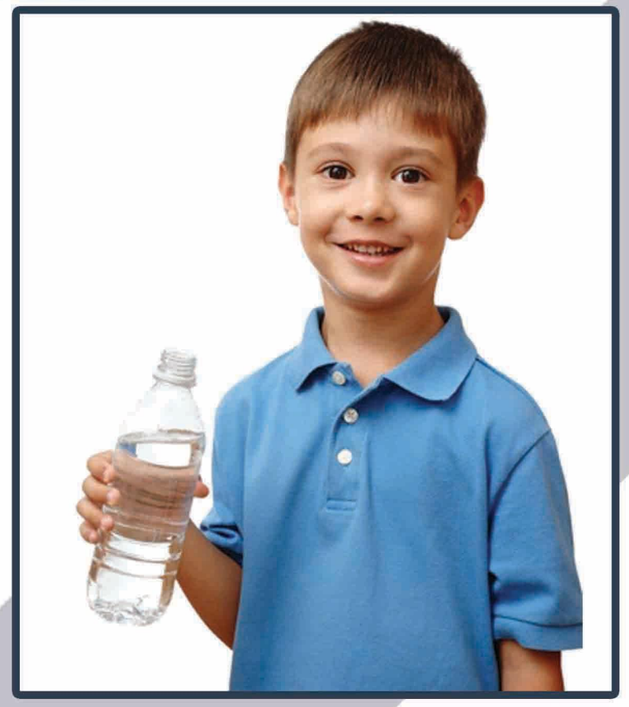

Interlock – This lighter weight poly/cotton stretch fabric is popular for girls fitted style polos.

Sports Mesh – 100% polyester which is available in numerous different textures is specially designed with the more active student body in mind. Its new technology has the characteristics of drawing the moisture away from the body.

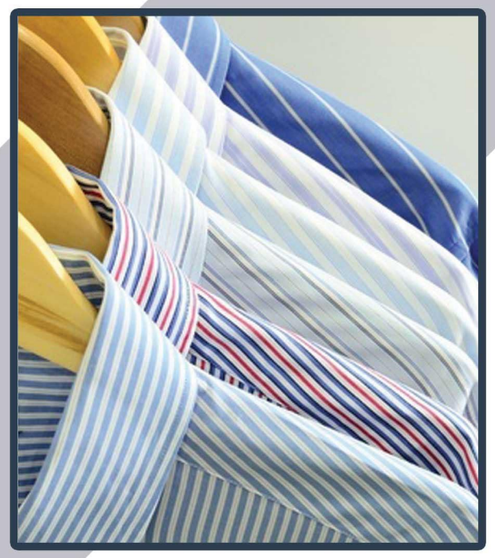

COTTON BACKED POLYESTER

A layered material that has a cotton layer against the skin taking advantage of the breathability.
The polyester layer on the outside to utilise the colour retention, easy care and moisture management benefits where it counts.

Formal Wear

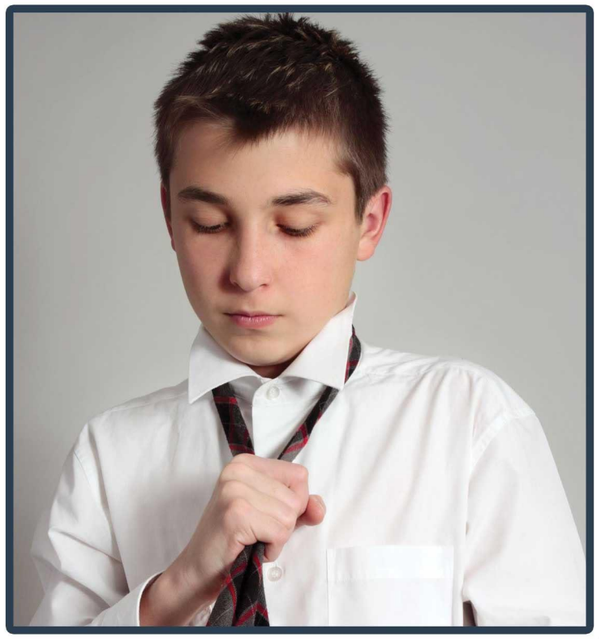

You are not an 'off the shelf' school – so, just like your specialised philosophy on education, let us help you make a statement about your school and have your students wearing their uniform with pride!

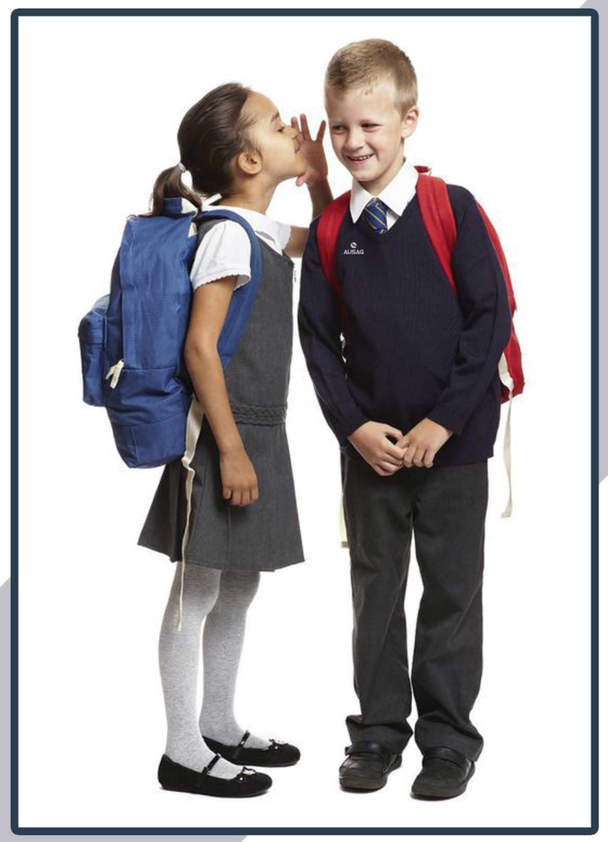

Just imagine – your school emblem or logo can become the uniform fabric – even buttons!

Dresses, pinafores, skirts, shirts, trousers, shorts, blazers and accessories for a complete image package.

Hundreds of classic and modern styles and fabrics to choose from.

Caring for uniforms

All ausag clothing garments feature a label detailing specific care instructions for that item. Read carefully and always refer to the label prior to washing, dry cleaning or drying – the instructions will differ depending on the make- up of the fabric, featured buttons, zips, etc. For example, some garments should not be tumble-dried... others should not be ironed with a hot iron or dry cleaned.
Trust ausag clothing to provide the right information to ensure your uniforms stay looking fabulous for longer!
